• Easy access to all published materials
• Searchable multimedia directory and KGGTF YouTube channel
• Event Page to register and RSVP
• Partnerships, grant success stories (in March)
KGGTF 2022 (Year 10)
Call for Proposals
Overviews

- The Total Funding Envelope is $10 million USD
- Opened on April 13, 2022, and closes on
  • May 16 (Pre-Proposals)
  • July 7 (Full Proposals)
- Proposals are invited from KGGTF’s 7 Partner GPs:
  • Agriculture & Food (AGF), Digital Development (DD), Energy & Extractives (EEX), Environment, Natural Resources & Blue Economy (ENB), Transport (ITR), Urban, Resilience & Land (URL), and Water (WTR)
  • Other WB GPs are encouraged to submit joint Proposals led by one of the 7 Partner GPs
- The KGGTF welcomes
  - Single and multi-year proposals
  - A minimum of $300,000 and a maximum of $600,000
  - for a Country, multiple countries in a Region, or across two or more Regions (classified as Global)
Selection Priorities

- The focus for the 2022 Call for Proposals is the implementation and mainstreaming of the Bank’s GRID strategy.

1. Mainstreaming GRID
   • Preference will be given to Proposals that support the implementation of Green, Resilient, Inclusive Development (GRID) across Bank operations.

2. Supporting Lending Operations
   • Preference will be given to grants directly supporting lending operations. Grants linked to standalone ASA without direct linkage to lending operations will be considered on an exceptional basis.

3. Alignment with KGGTF Outcome Indicators
   • Proposals should be aligned with one or more of KGGTF’s Four Outcome Indicators with concrete and measurable results indicators.

4. Synergies with Green ODA Investments and External Financing Programs
KGGTF Activities

1. Grant management
2. Knowledge & partnerships

Outputs (in P@G³)

1. Mobilization of new funding resources & investment in green growth lending operations
2. Amendment, development, adoption of green growth policies, strategies, concepts, legal, regulatory frameworks in client governments & WBG
3. Improvement in knowledge & implementation capacity to institutionalize green growth initiatives
4. Develop partnership and collaboration with key partners and stakeholders

Development Objective (in AA¹)

Achieving Sustainable Development through Green Growth

KGGTF Outcome Indicators

1. Administration Agreement of the KGGTF, 2012
2. Annual Grant Progress Review of KGGTF grant teams
3. The Portfolio-at-a-Glance (P@G) report

- Implementation status: disbursement, commitment, active status
- Linked to lending operations
- Regional distribution
- Knowledge activities completed & partnerships developed
