Introduction of Session Organizer

LX is a quasi-government organization under the oversight authority of the Ministry of Land, Infrastructure and Transport of Korea. Its major activities include cadastral surveys and R&D related to cadastral system, as well as establishing a nation-wide database system that contains cadastral information. The organization is also focusing on carrying out various spatial information projects including consulting services for national spatial data standardization, and the establishment of Korean-type digital twin model.

4. KGGTF Session Coordinators

Hyoung Gun Wang, hwang4@worldbank.org

Minkyung Kim, mkim14@worldbank.org

5. Session Objectives

To introduce main activities and overseas project experience of LX

To seek cooperation/collaboration opportunities between LX and WB utilizing KGGTF fund
